ADAMSTOWN NEW LAMBTON ATHLETICS CLUB

SEASON 2015-2016 SUMMARY

The 2015/16 athletics season for ANLAC was another successful season with over 300 registered athletes again this year and a consistent number of senior registered athletes as well. We continue to be one of the largest little athletics clubs outside of the Sydney metropolitan area.

While I am impressed with the efforts of our high achieving athletes, I am as equally proud of each and every one of our athletes who strives to compete for another Personal Best Performance week upon week at our competition. Our athletes continue to demonstrate that our competition nights are fun, friendly and competitive and this is a joy to see.

The Committee continues to invest in the club's future with further developments made in both the ground and equipment upgrades. We are continuing to explore further ground improvements with other park users and hope to be in a position to assist in improving the facilities over the next few seasons .

It's pleasing to advise that the Club is in a good financial position again for the start of next season. This result speaks volumes for the diligence and efforts of the voluntary Committee, who worked tirelessly through this year to ensure the season ran smoothly and that all necessary purchases were made when required.

The Club also coordinated the hosting of the Port hunter Zone Championships for the first time at Alder park and from reports and feedback this was a successful event. The club also won the Aggregate point score for the 7th straight year at the Zone Championships

I wish to express my sincere appreciation of the Committee and to all of the parents and guardians that also provided help throughout the year. A big thank you to all of the athletes that have made this past year so enjoyable to watch and to be a part of and I hope to see all of them return next year.

Athletes who register on the day of any competition at Alder Park may not have results recorded for that meet. If after two meets the athlete would like to continue with our centre, all fees must be paid in full before they can next compete. **No results or points will be recorded for Visitors** and no retrospective results or points will be recorded if a Visitor registers at some later stage.

FROM THE COMMITTEE

Welcome to Adamstown New Lambton Athletics Club Inc. We hope you enjoy your time with us.

We would like to encourage all the family to be involved in the activities. Please take note of the following responsibilities and expectation:

Be aware of children's safety

The Adamstown-New Lambton Athletics Club Inc. will not be responsible for any child who wanders away from the athletic competition area, e.g. in the storm water drains, streets, bowling club or playground area. Also, as this is a public park, Please be aware of **'stranger danger'**.

The Adamstown-New Lambton Athletics Club will abide by current NSW Little Athletics Association Policies unless specific local requirements apply. Current policies can be found at the website <http://www.anlac.org.au/>.

All children must be accompanied by an adult at the ground whilst competing.

PARENTS/CARERS MUST NOT LEAVE THEIR CHILDREN UNATTENDED AT THE PARK AND THEN PICK THEM UP AT THE END OF THE NIGHT. CHILDREN WHO ARE LEFT ON THEIR OWN WILL NOT BE ALLOWED TO COMPETE.

Be responsible for helping your child enjoy their involvement - Parent participation is a NECESSITY.

The more parents help at each competition meet the easier the events will be to run and it will be more enjoyable for all involved. Parents, we encourage you to volunteer to act as either a group Age Marshall or assist in recording times/places/measurements for the track and field events. If you are unsure of what to do, we will be more than happy to show you how. Don't be too worried about making mistakes, it's not that serious.

It is expected and indeed essential that parents and/or carers become involved in helping with the running of events. **There is a requirement for each family to provide assistance during the season in order for their children to qualify for end of season awards at the Presentation.** A weekly roster details duties such as Age Marshalling, Timekeeping, Place Judging, Equipment Set Up, Equipment Pack Up, Canteen, BBQ etc. with the expectation that a parent from **each family will perform at least 5 duties during the course of the season.**

Sign on...

Unlike other sports where two teams play, with one referee, athletics is for the individual with multiple events which must be timed or measured. The Age Marshall positions need to be filled every week as well as assistants for the timekeepers on both tracks.

The Age Marshalls or assistants need to 'sign on' adjacent to the canteen and obtain a Hi-Viz vest. Experience is not necessary to take up either role as assistance can be provided in what is expected. **If an age group does not have the required amount of Age Marshalls this group WILL NOT be allowed to start competition until an Age Marshall has volunteered.** We do this for the safety of your child and other children.

If you are an Age Marshall, please keep good control of your group. If there are children who cause unreasonable problems please report them to a committee member.

Follow the program...

The Club operates a rotating 5 week program to ensure all athletes get a chance to experience all events on a regular basis. A special “wet weather” program also exists in the event of poor weather.

Long Jump pits, throw cages and shot rings all have an assigned number. This number corresponds to a number listed on the program. To ensure our competition nights run smoothly Age Marshalls are requested to check the program and use the location the age group is programmed to use. It is also important that Age Marshalls check the program for the location and the order of events.

We **insist** that the Age Marshalls follow the run sheet, particularly the order of events (running down the page), so the night can run smoothly. Track events will generally run in age group order (left to right on the program). Older age groups may have 5 events per night and as such may get priority when undertaking track events.

Encourage your child to improve

A major focus by our centre is for each athlete to improve their performances gradually over the course of the season. Avoid placing too much pressure on them. Encourage them to do their best...what more can you ask?

Encourage your child to compete at higher levels

Apart from our Friday competition nights, various carnivals are held across our region which may lead to state event qualification. The carnivals will be listed on our web site or you can contact a Committee Member for information. Some carnivals may incur a cost to enter which is not refundable. Some events will be offered for Athletes With a Disability (AWD) at some carnivals.

To compete at any carnival all athletes must wear the club uniform and the appropriate registration numbers. These numbers are provided at the time of signing on and must be attached to the athletes uniform along with the designated age patch and sponsorship patches.

Athletes from U12 years age groups and above are now covered by a One Sport registration number with Little Athletics NSW and Athletics NSW both being covered. This enables the athlete to compete for the club at a wide variety of additional “senior” events outside the normal Little Athletics scheduled program.

Find more info at:

<http://www.nswathletics.org.au/>

Tiny Tots

Tiny tots are offered play training activities. It has proved an important nursery in developing future little athletes. This group requires MORE PARENT HELP AND EQUIPMENT per child to work effectively.

Parents of Tiny Tots need to work together to set up equipment, organise activities and pack up equipment on competition nights. Assistance can be provided to cover planning of activities.

Senior Athletes

Senior athletes eg U20 and above where competing at regular club meets are to follow the U17 age group program. Results for their activities will be recorded by the Age Marshall for that group.

Insurance

All registered athletes are covered by LANSW or Athletics Australia insurance depending upon their age. This insurance covers all athletes while competing at official events against personal injury. All officials are covered against injury whilst attending little athlete's activities, provided that they sign on the register and complete event sheets.

Be aware of children's safety

Don't endanger the safety of children competing or your own safety... Avoid injury by staying clear of areas where children are competing, especially at throwing events. Go around the track, avoiding runners in progress. Many of the sprinters are going quite fast and many older athletes need plenty of space to slow down.

Note: ALL SPECTATORS SHOULD KEEP WELL CLEAR OF EVENTS AND NOT CROSS THE TRACK AS THERE IS NO ACCIDENT OR LIABILITY INSURANCE TO COVER THEM.

First Aid

In the unfortunate event of a minor injury, sprain or strain First Aid assistance is available from the canteen. Age Marshalls should contact a committee member if a more serious injury occurs which will be managed accordingly.

Poor Weather

Parents are to provide suitable protective clothing readily available to the children should the weather turn cold, wet or hot. Hats and sunscreen are also recommended for use in hot weather. A basket is provided to each age group to carry athlete's water bottles and clothing between events.

Cancellations due to poor weather will be notified via the Club's Web site and social media accounts.

Web: <http://www.anlac.org.au/> Twitter: @ANL_Athletics Facebook: ANL.Athletics

The club has implemented a policy to cancel a night's competition if lightning activity is present adjacent to the track at starting time or at any time during events. Similarly extreme heat events will be assessed against Little Athletics NSW management guidelines to determine if it is safe to run a competition.

Lost Property

Each year a significant amount of lost property is accumulated at the club. This includes clothing, drink bottles, hats etc. If you misplace anything or leave it behind after competition, it may be returned by other competitors to the canteen's lost property basket. Please check with the canteen supervisor if you are looking for a particular item. All unclaimed lost property will be disposed of at the end of the season.

2nd Hand Equipment

Occasionally 2nd hand spikes or clothing may be available for sale at the canteen. Competitors are encouraged to check with the canteen supervisor or other club official for any equipment that may be on sale.

Parking

When attending Alder Park please abide by all council marked parking restriction signs and respect private driveways as local residents require access at all times.

Help the Committee and Help the club...

The committee meets on the second Tuesday of each month. We currently meet at The South Leagues Club 46 Llewellyn St, Merewether at 7.30 pm.

All parents are welcome to attend. If you don't have a child competing you need to fill out an application for membership (at the end of the booklet) for the club. Individual senior athletes are also welcome to attend. Voting rights at the Annual General Meeting are gained by paying a \$2.00 fee at the meeting. By having voting rights you can have a say in how the club operates. We are only a very small committee so we are **always in need** of more help.

If you feel that you can help in any way, please don't hesitate to offer your services. They will be greatly appreciated.

The aim of Little Athletics is for EVERYONE to get involved and enjoy it.

Coaching

Coaching is available for some events. Please contact a committee member for assistance with coaching or check out the website for details.

POINTSCORE AND TROPHIES

Over the competition season an athlete must compete for a **minimum of 70%** of Friday nights to qualify for a trophy or medal.

Personal Improvements Champion

This is for the athlete who improves and regularly attends over the season. Results will be determined by awarding each child:

1. ONE point for each club meet attended
2. TWO points for each personal best obtained during a club meet event.
3. FIVE points for competing at Zone multi
4. FIVE points for competing at Zone Championship

Personal Bests.

After each club meet results are uploaded to the club's website at www.ANLAC.org.au. Individual results, seasons bests, personal bests and records can all be found here. Results can be printed from the website if you or your child wish to keep a hard copy record.

Once the athlete has achieved ten (10) new personal bests (not equal personal bests) a certificate will be printed and awarded to the athletes on a subsequent competition night. After twenty (20) personal bests are achieved, a trophy or medal will be awarded on presentation night.

NOTE:

1. The first result in each event for the season merely establishes a benchmark personal best for each athlete and **WILL NOT** be included in their overall tally.
2. If an athlete equals a personal best this result **WILL NOT** be included in their overall tally.
3. Previous season results may be used by the statistician to judge whether an athlete has performed genuinely at an event.

Events Champion

This is for the consistent winner and high place-getters of events and will be determined by awarding each child the following point score for placing in each event that they compete in (including all Handicap events)

PLACE		POINTS
1 st		8
2 nd		6
3 rd		4
4 th		2
5 th		1
6 th		1
Etc		1

Athletes must be in attendance at Adamstown New Lambton Athletic Centre competition at Alder Park to receive Events Championship points. Results obtained by athletes competing in other competitions will not be considered.

UNIFORMS

The club colours are white, bottle green and red. The centre has club singlet tops and club monogrammed shorts available for sale at the canteen. Additionally a crop top and bike pant uniform has been developed and approved for girls as an alternative to the standard uniform.

For normal Friday night competition the boys wear green shorts with either a club singlet or plain white T-shirt. For the girls green bike pants, scungees or shorts are acceptable along with either a club singlet or plain white T-shirt or alternative crop top in white, bottle green and red. Age, sponsor and registration patches must be affixed as per details below.

The registration number is located in the centre on the front of the shirt, singlet or crop top (with the outline still visible) and the age patch is attached to the top left front of the shirt, singlet or crop top or on the left hand side of the shorts, bike pants or scungees. An approved Jetstar sponsor patch must be affixed to the top front right of the shirt, singlet or crop top. All patches and numbers must be clearly visible when competing if the singlet or shirt is tucked in. Previous season registration numbers, age and sponsor patches are invalid and must be removed. New registration numbers, age and sponsor patches are issued each year at the time of registration at Alder Park.

The registration number must be displayed on the shirt. Any athletes who have forgotten their shirt or number must report to the canteen and obtain a visitor number for the evening. The committee has a policy '**NO NUMBER – NO RUN**', this way we can ensure all paper work is completed and results are able to be recorded.

If an athlete wishes to compete at **carnivals away from our normal club meets then formal club uniform must be adhered to**. This comprises green shorts and a club singlet for the boys. For the girls a club singlet or crop top with green bike pants, scungees or shorts. A second One Sport number is recommended for the rear of the singlet / crop top. 3 numbers are provided at the time of registration for U12 and up. The original 213 Club number is no longer required.

SHOES MUST BE WORN AT ALL TIMES BY ATHLETES WHEN AT ALDER PARK (or alternate venues).

Spiked sprint shoes (spikes) are not to be worn by athletes in the U/9-U10 age group and younger; ie use is acceptable from U/11 upwards. This ruling has been recently changed by Little Athletics NSW in order to align with other Australian states. Spikes are only allowed in laned events (up to and including 400m) and are not to be worn in any pack start events. Spikes shall **only be put on at the starting line and must be taken off at the finish line**. This rule will be strictly adhered to.

CLUB MULTI-EVENT

The Club Multi-Event is run on the last club meet of the season.

This form of event entails points being allocated to athletes based on their results, rather than their placing. IE the faster your run, the further you throw, the longer or higher you jump the more points you receive. The system provides motivation for each athlete to compete to the best of their ability rather than concentrate on winning or placing.

The point scoring tables are published on the Little Athletics NSW web site. Generally Multi-Event competitions are run over the course of a full day with many resources on hand. Due to a limitation on both time and resources our Club Multi-Event does not follow a full standard Multi-Event program. Instead four events have been selected for each age group that provide the opportunity for a sprint, distance, throw and jump event for each athlete. Where LANSW scoring tables are not available for events run at the meet for any particular age group the appropriate tables from the next highest available age group are used.

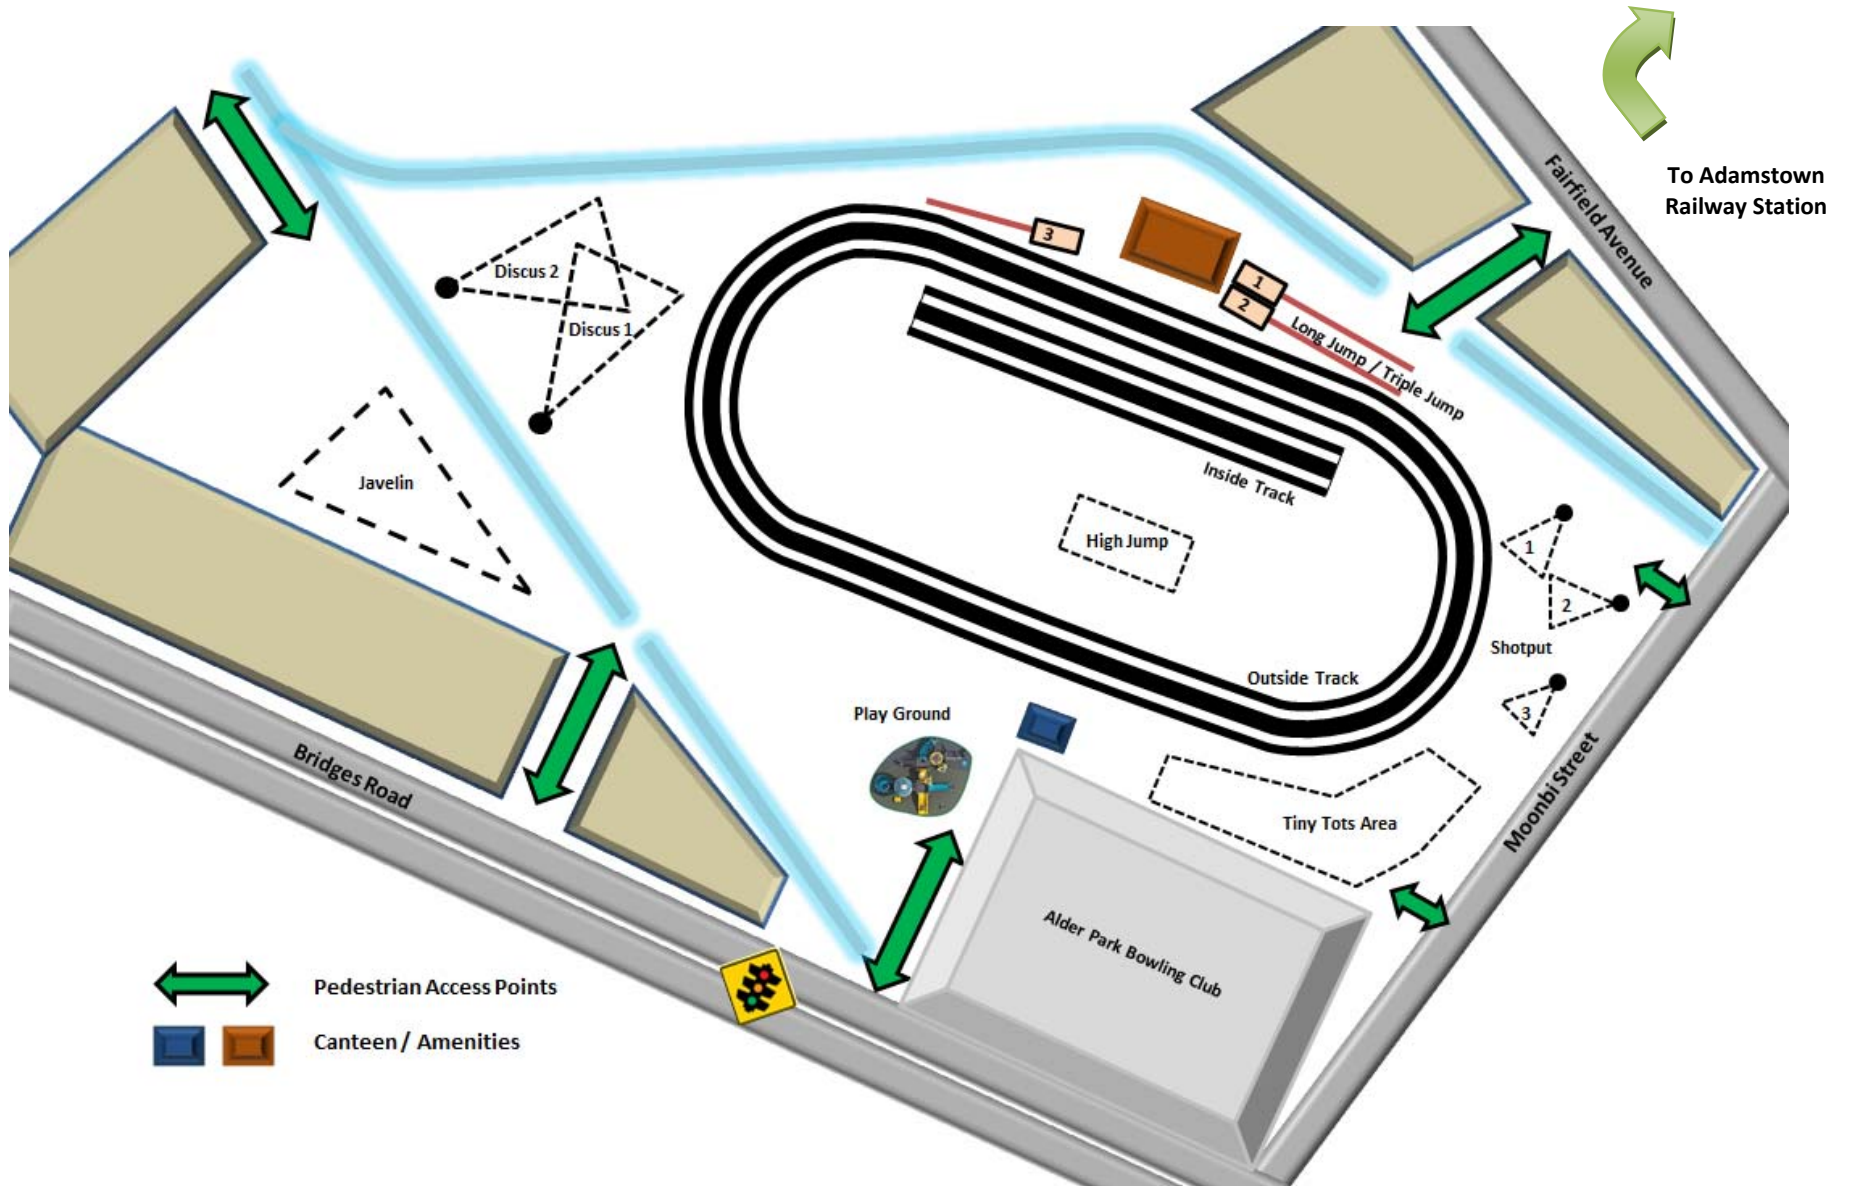

At this meet normal point scores for Best in Age performance (Events Champion) will not apply, nor will Improvement Points (Personal Bests). This means that these point scores for the season effectively end after completion of activities on the second last week of the season. Club records set at this meet will be recognised.

Thanks also to our current sponsors:

*If you, your company or someone you know might like to sponsor the club,
Please approach any of the Committee members for further details.*

COMPETITION MEET RULES AND PROCEDURES

As part of our clubs efforts to ensure that our club competition meets run smoothly, efficiently, without incident and ensuring the safety and wellbeing of all our athletes, children, parents and other visitors, please adhere to the following list of rules and procedures. Adherence to the rules and procedures will allow appropriate involvement and participation by all, ensure that club competition meets finish at a reasonable time and provide lots of fun for everyone.

Rules

1. All children not competing are to be accompanied by an adult.

Children who are not competing must be with an adult and must stay in the spectators' area to ensure their safety and prevent them from wandering into the shot-put, discus, javelin or any other area where a serious injury may occur. This rule will be strictly enforced.

2. If you are not signed on as an Age Marshall or an Assistant you CAN NOT follow your child around.

You must stay in the spectators' area to ensure your safety. If you wish to watch your child compete from close up sign-on as an Age Marshall and help out. Ensure that you sign-on early so you do not have to stay in the spectators' area.

3. Insufficient Age Marshalls and Assistants

Each age group must have at least 1 Age Marshall signed on otherwise no age group can start competing. You do not have to sign-on to your own child's group, if there is a shortage in another age group and you are willing to help out please sign-on with that age group. Remember that if you are not signed on as an Age Marshall or an assistant you must stay within the spectators' area.

4. All children that are competing must stay with their Age Marshall(s).

Athletes must not wander away to watch their brothers, sisters or friends competing in other events. This makes the job for the Age Marshalls difficult when they cannot find the athlete when called to compete. Age Marshalls please organise the athletes in the order they are listed on the event sheet, this will ensure that they are ready to compete when called.

5. All drains are out of bounds.

This is self-evident. Drains are dangerous. Any child found in the drains will be disqualified for the rest of the meeting. Parents and Age Marshalls it is your responsibility to ensure that your children adhere to this rule. Warn the athletes that they are not to go into the drains. If an athlete breaks the rule disqualify them.

6. Bad or offensive behaviour will not be tolerated.

Anyone who is continually disruptive, is abusive or torments others is not welcome at our club. These persons will be asked to leave.

7. 5.25 p.m. Athletes return from warm-up and go to events.

When athletes return from warm-up marshalls and assistants will take their age group to the first event listed on the event slip.

8. 7.30 p.m. and onwards finish of competition.

The finish time of your age group will depend on the size of the age group and how smoothly the events have been progressing. When your age group has completed all their listed events, please take the age group folder with the completed data sheets and carry basket to the canteen where they will be collected for processing. Any athletes with brothers, sisters or friends still competing cannot go and watch them in the competition area, they must go to the spectators' area and watch from there.

9. Packing up of equipment.

If you are completing the final field event on your event list and it is marked in **Red** on the program, please help by packing up equipment and taking it to the equipment container. Your assistance would be greatly appreciated.
